# PASS Partner Webinar: Datavail

**March 05, 2020 | 11:00 AM**

## Accelerating SQL Server Migration to the AWS Cloud

In this webinar, Jeff Duncan a DBA Manager, SQL Server at Datavail will discuss accelerating SQL Server Migration to the AWS Cloud and explain the advantages and disadvantages of using different methods. He will also showcase the surprises and pitfalls to avoid as we venture into the process.

Learn more on what trends you can expect to see, what the future holds for cloud, and see how the DBA role and their responsibilities are undergoing changes to fit into the new profile necessary in managing the cloud framework
